

person variance distribution (N=500) for  $\delta = 0.0$

depth variance distribution (N=500) for  $\delta = 0.0$

seed variance distribution (N=500) for  $\delta = 0.0$

person x depth variance distribution (N=500) for  $\delta = 0.0$

person x seed variance distribution (N=500) for  $\delta = 0.0$

depth x seed variance distribution (N=500) for  $\delta = 0.0$

person x depth x seed variance distribution (N=500) for  $\delta = 0.0$

population error variance distribution (N=500) for  $\delta = 0.0$

prediction error distribution (N=500) for  $\delta = 0.0$
