

person variance distribution (N=250) for  $\delta = 1.0$

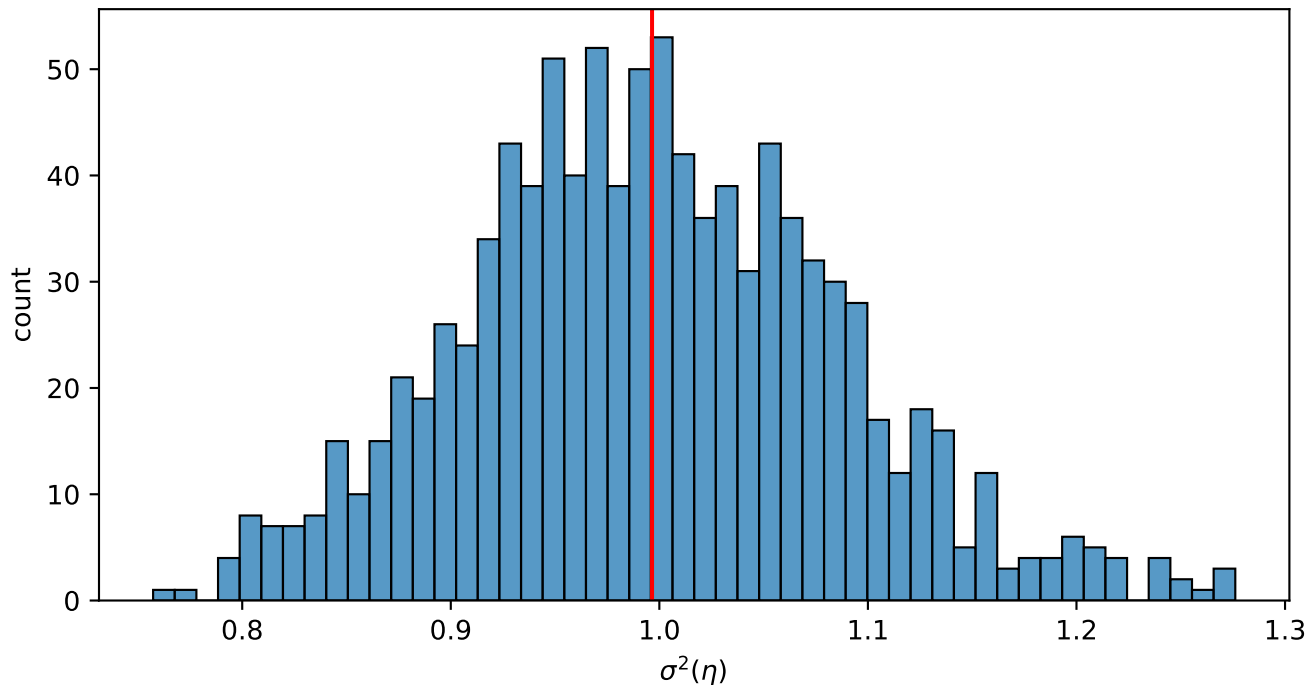

seed variance distribution (N=250) for  $\delta = 1.0$

person x seed variance distribution (N=250) for  $\delta = 1.0$

population error variance distribution (N=250) for  $\delta = 1.0$

prediction error distribution (N=250) for  $\delta = 1.0$
